

ATS1641

Contenitore standard ATS2010 e ATS3010.

Product Overview

Empty housing for ATS20XX, ATS30XX and ATS1201, without power supply. It is a service item used to replace existing housings if needed. Can also be used in combination with other ATS accessories to build various application. Due to the hole pattern, all ATS boards can be fitted inside the box.

Wonderbox concept

The ATS PCBs (boards) have standard dimensions and all ATS metal housings have a hole pattern in the back that allows placing any of the PCB inside. Using the metal studs delivered with the service items you can fit the PCBs inside the ATS boxes like in a puzzle.
